Xerox® 4595 Multifunction System

Your ultimate office performer

Xerox 4595 Multifunction System

An unprecedented combination of superior performance, ease of use and exceptional versatility. The Xerox 4595 copier/printer is perfectly suited for busy offices and light production environments. Robust enough to handle your complex jobs and flexible enough to provide a range of document finishing options, the Xerox 4595 delivers the results you need to stay at the top.

Top performance

Engineered for ultrafast copying, printing and scanning, the Xerox 4595 copier/printer will quickly exceed your demanding expectations.

95 ppm

- **A print speed of up to 95 ppm.** Together with a first-page-out time as fast as 3 seconds, the Xerox 4595 copier/printer accelerates your workgroup's productivity.
- **Resolution at 2400 x 2400 dpi.** You get great-looking copies and prints with crisp text and image integrity with distinctive detail.
- **A huge 40 GB hard drive.** Delivers ample built-in storage for quick reprinting directly from the device, and 512 MB of onboard RAM lets you process a heavy workload.
- **Perform multiple jobs simultaneously.** Means increased productivity. Perfect for large workgroups, busy users can copy, print and scan separate jobs at the same time.

Easy productivity

Time-saving features and simple, user-friendly controls make the Xerox 4595 copier/printer the ideal business-document solution for any fast-paced, multi-user environment.

- **Copy and scan with walk-up ease.** Achieved by the easy-to-navigate 203 mm colour touch-screen interface.
- **With a workflow built around the Xerox CentreWare® look and feel.** Users will quickly embrace the intuitive print drivers and web interface, drastically lowering their learning curve while delivering out-of-the-box productivity.
- **Built-in copy/print server saves space.** It eliminates the need for separate, standalone hardware.
- **Engineered for maximum uptime and reliability.** Backed by unparalleled service, the Xerox 4595 copier/printer makes printing hassle-free and office life easier.

Powerful scan capabilities

Take scanning speed and power to a whole new level.

- **Spend less time waiting.** The scanner scans an ultra-fast 100 images per minute.
- **Make your workflow more efficient.** Scan-to-Email with LDAP support and Mail Delivery Notification allows direct scanning to your MS Outlook or Lotus Notes address book. In addition, you get the added convenience of Scan-to-Network capability (FTP/SMB).
- **Automatic Job Flow Scanning.** Makes repetitive tasks simple by allowing you to pre-programme frequently used job instructions.
- **Store your business-critical documents.** Save them in the onboard, 14.6 GB central archive with 500 Mailboxes/Folders. No need to re-scan your time-sensitive print-on-demand documents.
- **Optional colour scanning kit.** Lets you scan, save and send full-colour documents for fast and efficient communications with added impact.
- **Walk-up copying convenience.** The powerful Build Job feature lets you use the front-panel interface to create customised documents by combining multi-segmented jobs into a single job, such as mixing single-sided and double-sided sections.
