

Phaser® 3100MFP

A4 Black and White Multifunction Printer

Office productivity at your fingertips

Loaded with helpful features at a price that will surprise you, the Phaser 3100MFP brings powerful laser printing, copying, scanning and faxing within easy reach. Ideal for up to five users.

Printer with more features for less

- Print and copy speeds of 20 ppm – plus a fast first-page-out time – keep up with your busy pace.
- Scan directly to your computer in black and white and in colour for easy access and organising.
- Powerful character recognition software turns hard copies into editable electronic documents.
- High-end copy and print features like ID Card Copy and N-up simplify work processes.
- Optional features, including wireless networking and Voice over IP functionality, add even more flexibility.
- Toner save mode (ECO Mode) and Energy Star compliance benefit both the environment and your bottom line.

Total ease-of-use

- Easy setup and operation, plus a front panel that makes walkup functions and features a simple touch of a button.
- Fax configuration includes a full keyboard for easy text entry.
- USB direct printing/scanning lets you save to or print directly from any USB memory drive – no computer needed.
- The intuitive, bi-directional print driver provides helpful device-status updates.
- Outstanding quality, reliability and performance are backed by a one-year on-site warranty with optional service extensions.

Just the right fit

- Print, copy, scan and fax. Handle more important office tasks with one space saving device.
- The automatic document feeder configuration provides fast scanning, copying and faxing of multipage jobs.
