

A long-exposure photograph of a lighthouse on a rocky island at night. The lighthouse is illuminated, casting a bright beam of light across the dark sea. The sky is filled with numerous stars, creating a starry background. The lighthouse is a small, white, cylindrical structure with a lantern room at the top. The island is dark and rugged, with some vegetation visible. The sea is dark and calm, reflecting the light from the lighthouse.

“If your actions  
inspire others  
to dream more,  
learn more, do more  
and become more,  
you are a leader.”

— John Quincy Adams
